REBOUND PRO CUSHION High Performance Liquid Rubber Cushion Surfaces *Your Multisports Advantages*

The **Rebound Pro Cushion** product technology is an affordable cushioned surface suitable for a wide variety of applications.

Rebound Pro is available to suit various needs and play characteristics with 3 different cushion base depth and densities.

Rebound Pro Challenge 8-9 coat system
Rebound Pro International 10 coat system
Rebound Pro Premium 11 coat system

The Rebound Ace cushioned courts are used by many of the world professionals and top level coaches. **Tony Roche** is one such coach who in June 2007 stated when asked to rate the Rebound Ace tennis surfaces: *"I have played and coached on just about every court surface there is. I regard the Rebound Ace surface as the best cushioned hard court on the market today. This firm yet perfectly cushioned hard court is a delight to play on in all conditions"*.

The Benefits

▪ Easy on the body	▪ You'll play longer & more often
▪ Seamless – no glare	▪ Reduces fatigue of muscles
▪ Proven UV colour fastness	▪ Less stress on joints
▪ All weather temperature stable	▪ Slip resistant in the wet
▪ Long lasting – recoatable & repairable	▪ No wear patches in heavy play areas
▪ Choice of 10 non glare UV stable colours and combinations	▪ No heavy play after rain
▪ Low maintenance – no weeds, sand levelling, rolling or re-lining	▪ Years of wear before recoating

Asphalt 25mm on 150mm base of fine crushed rock (Cure new asphalt 14 – 21 days)

Warranty Up to five (5) years

Rebound Pro Cushion is a direct result of the years of experience with the highly successful Rebound Ace Grand Slam surface.

Designed for juniors, veterans and social players in all court/ball sports to reduce fatigue in the muscles and joints and to play longer and more frequently. **Rebound Pro Cushion** can be installed in a range of thicknesses from approximately 1mm to approximately 4mm. It is a resilient cushioned acrylic surface designed to be *easy on the body*.

Rebound Pro Cushion provides a high performance surface for professional, amateur and social play. The resilient cushion provides a sure comfortable feel underfoot, is easier on the body than hard court surfaces, reduces fatigue and you can play for longer and more often.

The cushion topcoat playing surface applied over the resilient **Rebound Pro Cushion** base is a result of 20 years experience of Australian and Overseas exterior exposure in a wide variety of climatic conditions with outstanding success unsurpassed by any other coating. A government report of "testing of Synthetic Sports Surfaces", rated Rebound Ace Sports very highly in all categories and made special reference to the 100% acrylic systems to achieve the best results.
